19th January 2024

Dear Parents and Carers,

It has been wonderful to watch the children having fun in the snow this week, although the roads were a little chaotic out there our transport services did amazingly well getting our pupils safely to school.

A very busy week at Springfield as always, lots going on in and out of the community as you will see below.

Primary have been looking at the Great Fire of London which they have loved! We have seen some amazingly creative and inspiring lessons around this.

Huge well done to secondary class 4LC for their Boccia success, see photo's below. We are massively proud of them all!

The Sports Hall is currently closed due to the building work, however this should only be for one more week and then it will be back open.

The pool was closed due to needing a new heater, however this has now been fixed and back up and running.

And Finally.... it was the best day ever today for one of our young pupils! Jaydon watches the MC Construction builders onsite on a daily basis and today he got to lay one of the first bricks on the new Springfield expansion! A huge thank you to MC Construction for making this possible and making a young boy very, very happy :-) Please see below for photo's.

Hope you all have a lovely weekend,

Lisa & Kim

## Boccia Tournament

4LC has enjoyed some fantastic Sporting success last week in their Boccia Tournament held in Warrington.

The students did an amazing job competing in the Cheshire and Warrington games festival against lots of other schools around the county. Not only did they represent Springfield but they were also representing the area of Crewe and Nantwich. Our 2 teams finished 2nd and 3rd in the competition receiving silver and bronze medals and certificates.

As a result of their success, qualifying in the top 2 places, one of the teams will be representing the county at the regional finals in March!

What superstars!

## Best Day Ever!

Best Day Ever for Jaydon today as he got to lay one of the first bricks for our new Springfield expansion!

A huge thanks to MC Construction for making this possible! 😊
