

# Newsletter- 16th February 2024

Dear Parents and Carers,

Everyone has been sharing the love at Springfield this week with the 'All Our Hearts' Day on Wednesday and our Valentine disco today! We also saw some of our 6th form pupils enjoying a candlelit lunch!

Pupils have started working on their interpretation of our school vision and values. They are focusing on 'Every day is a new chance to shine', with the acronym RISE.

- **Respect**
- **Inclusion**
- **Strive**
- **Excellence**

Pupils have already begun to design their own posters around these words and we look forward to having them on display around school.

A big thank you to Drew for being our Valentine's DJ today! The pupils (and staff) enjoyed an amazing disco - lots of fun was had by all!

We would like to wish you all a happy and safe half term and we look forward to see everyone back in school on Monday 26th February.

Have a lovely week,

Lisa & Kim

## Pupil Safeguarding Work

Last week the whole school took part in On-line safety day. Each class took part in suitable activities looking at the dangers, and sharing the importance of staying safe on-line.

It was a great day with some fantastic work produced by pupils. This will be displayed on our pupil safeguarding board to remind us every day how to stay safe.

We'd like to share the work of Jack Lynch from our sixth form class. His poster is just an example of what we got up to that day. This is completely his own work including the moving animation seen on this superb poster!

Great work Jack!

## Swimming Reminder

Can you please ensure that your child comes to school with their swimming kit on their timetabled swimming day.

This must include either a swimming pad (these are available at most supermarkets and chemists) or the specialist incontinence swimwear available at [Www.incywincy.net](http://Www.incywincy.net) or Amazon if your child is not toilet trained.

This is for the benefit of all swimmers. Your support is greatly appreciated.

Dear Parent/Carer

The UK Health Security Agency (UKHSA) has reported an increase in measles across the country with a recent outbreak in the West Midlands region of England. Measles spreads very easily among those who are unvaccinated, especially in nurseries and schools, and can be a very unpleasant illness.

If your child has missed their MMR vaccinations usually given at age 12 -13 months (1<sup>st</sup> dose) and 3 years 4 months (Pre-school booster) it is important to take up the vaccine now. If you are unsure if your child's immunisations are up to date, please check their vaccination records (Red Book) or contact your GP to find out if your child has missed any MMR vaccinations.

If required, The School Aged Immunisations Team can provide MMR vaccinations for years 7 – year 11.

If you have any queries regarding school age vaccinations or think your child has missed an MMR vaccine, please email the Cheshire East School Age Immunisation Team – [wcnt.immunisation@nhs.net](mailto:wcnt.immunisation@nhs.net)

Further information for parents and carers about the MMR vaccination can be found on the NHS website:

Kind Regards
