6th October 2023

Dear Parents and Carers,

Happy Friday everyone!

I hope you've all had a fantastic week and are looking forward to a well-deserved weekend. It has been wonderful seeing all the hard work and dedication from our children and staff this week. It's great to see them making progress and taking on lots of challenges with a positive attitude.

A huge thank you also goes out to our amazing staff for their continuous support and dedication to our pupils' education. Their hard work and creativity in delivering engaging lessons and supporting our students is greatly appreciated.

Our parents evening will be held on Thursday 2nd November, the booking system will open on Monday at 12pm. Appointments will need to be made via the e-Schools system, if you don't have your log on please contact your class teacher.

Have a fantastic weekend, and let's keep up the momentum as we head into the last two weeks.

Have a wonderful weekend.

Swimming

Please ensure your children have the correct swimming kit. This includes a swimming pad or incontinence swimwear if they are not toilet trained.

This is essential for the benefit of all swimmers.

Your cooperation is much appreciated.

Clothing Appeal

We are running low on spare uniform/clothing in school, especially in upper school.

We need to replenish our stock of trousers, skirts, and underwear for both girls and boys in upper school.

If you have anything that is no longer in use, please send them into school to Amanda Leigh.

Many thanks.

The School Gate

- Sensory Direct - this website has ranges of weighted blankets, beds, waistcoats etc. These do help children who need that deep pressure during the day or night.
- Warrington Carers Trusts - offers support with Carer Breaks, emotional support, benefits etc 0300 102 0008
- Ruby's Fund - 01260 277666 - they offer respite care, other support for parents and activities for young children. More info can be found on their website as you will have to register with them.

Building Works Update

Building works are well underway at Springfield School!

This month, our team has commenced piling works - installing 100 piles, 14 metres underground to support the steelwork that will go above. We've also started to install reinforcement bars and concrete to form the foundations.

Even though we've struggled with the Great British summer weather, which put our operations slightly behind, we're still on track for completion in Summer 2024. Over the next month, we're going to be installing the steel frame on top of the foundations.
